[Temperament Test Video](#)

The Muffins girls overall are very engaging and eager to interact.

Without proper training, their boisterous personalities could become a challenge. However with proper training, they have what it takes to be phenomenal companions and potentially more.

All use their mouths and paws to engage and explore.

Pink will work hard to get your attention.

Is vocal when unsure of what she wants. Very happy, silly and entertaining.

Moderate energy level but lacks manners.

White is eager to engage and is very silly in her play. Mouthy and doesn't not mind getting in your personal space. Lacks manners. Moderate energy level.

Fun to watch and will keep you laughing

Pink and white both little clowns but can be rough at times.

Curious of all things new.

Red and red dot are both playful and confident. Moderate energy level with a balance of independence and engagement. Tolerant of handling. These are your middle of the road puppies.

Pink dot was a little unsure at first but after she had a few minutes to explore she became comfortable and interactive.

Pink dot has mid level energy. Very respectful in her interactions. Prefers to stay close.

Health Notes: Pink dot and Red dot small hernias
