### - Litter Overview

The boys in this litter are especially eager for human interaction, consistently working hard to capture your attention, love, and affection. They each possess strong retriever traits, making them friendly and eager to bond with everyone they meet. These boys thrive on companionship and prefer to be where the people are, disliking solitude. Basic manners training will help them refine their already strong companion qualities. Exceptionally people-oriented and intuitive, these boys show great potential as therapy dogs, with their natural empathy and connection to people setting them apart.

### Edith Green

#### -POTENTIAL THERAPY CANDIDATE

- Breeder's Pick, Enrolled into 16-Week Prep School

- **Prep School Dates:** September 5th - December 26th 2024
- **Energy Level:** Mid
- **Personality:** Edith Green has a balanced, middle-of-the-road temperament. He is able to entertain himself with toys and explore independently but is equally happy to engage in interactive play. He seems to be the least needy of attention, and when he's ready for it, he approaches respectfully and with a calm demeanor.

### Edith Blue

#### -POTENTIAL THERAPY CANDIDATE

- **Energy Level:** Mid to Moderate
- **Personality:** Edith Blue loves play and attention. He is self-assured and comfortable in new situations. He enjoys both independent and group play and remains very calm when being handled. When he's ready, he

initiates play and thoroughly enjoys the interaction. Although he can be a little mouthy, he redirects well with a toy.

## Edith Orange

### -POTENTIAL THERAPY CANDIDATE

- **Energy Level:** Mid
- **Personality:** Edith Orange is a sweet boy with a slightly more mannerly approach to his interactions. He calms nicely when held and frequently checks in for a good scratch. He has mid-level energy and tends to stay close when things get too noisy or rambunctious, showing a sheepishly sweet side when feeling unsure.

## Edith Blue Dot

### -POTENTIAL THERAPY CANDIDATE

- **Energy Level:** Mid to Moderate
- **Personality:** Edith Blue Dot is confident and self-assured, with a bubbly and playful personality. He can be a bit pushy and lacks a sense of personal space, this is a very common puppy manner. He is not fearful or timid. He has great focus, is curious about new sights and sounds, and is motivated by toys and interaction, making him easy to train. His silly and clumsy nature is entertaining. While basic training is recommended, there are no red flags.

## Edith Green Dot

### -POTENTIAL THERAPY CANDIDATE

- **Energy Level:** Mid
- **Personality:** Edith Green Dot is highly motivated by attention and will work hard to get it, sometimes barking until he gets a response. Once he has your attention, he is loving and affectionate. He occasionally uses his mouth to explore but applies little pressure and redirects easily, has great bite inhibition. After playtime, he prefers to settle down by himself. There are no red flags, and he will make a great companion.

**HEALTH NOTES:**

**Blue Dot** - Watch for a small hernia.

**Green Dot** - Favored one paw during the test.
