Colleen Females Overview:

This litter of girls is full of joy and energy! They're playful, bouncy, and love to interact, whether it's with each other or their toys. Each one has her own unique personality, but overall, they're quite similar—sweet, affectionate, and just so much fun to be around. Their mid/moderate energy makes them the perfect balance of playful and calm, always ready for a good romp but equally content to entertain themselves with a toy. These happy girls will undoubtedly bring a smile to your face with their adorable antics and lovable natures!

Colleen White

- Breeder's Pick ; Enrolled Into 16 Weeks of Prep School

Energy Level: Mid-Moderate

Personality: Colleen White is an interactive and loving puppy with a playful side. She's curious and enjoys exploring, often instigating fun with her siblings. Her balanced temperament and joyful energy make her a great fit for most environments.

Colleen Red

Energy Level: Mid-Moderate

Personality: Colleen Red is the sweetest of the group, with a mild and gentle nature. She loves her toys and can entertain herself independently for a good amount of time. She's the most independent of the group, making her an easygoing and self-sufficient companion.

Colleen Pink

Energy Level: Mid-Moderate

Personality: Colleen Pink is content to play with others or grab a toy and entertain herself. She may be a little awkward with handling at first but settles in nicely once she feels comfortable. She's an easygoing, independent puppy.

Colleen Pink Dot

Energy Level: Mid-Moderate

Personality: Colleen Pink Dot is an affectionate puppy, always ready to give kisses. She's curious and loves

investigating her surroundings. Her playful and sweet nature makes her a wonderful companion, especially for someone who enjoys a dog with a loving personality.

Colleen Red Dot

Energy Level: Mid-Moderate

Personality: Colleen Red Dot is a playful and bouncy girl with a strong love for toys. She's curious, funny, and always up for a game. Her playful antics are sure to keep her future family entertained.

Colleen White Dot

Energy Level: Mid-Moderate

Personality: Colleen White Dot is the most reserved of the girls, taking her time to warm up to new environments. However, once she's comfortable, her playful and bouncy side shines through. Her gentle and thoughtful nature makes her a delightful companion for a calmer household.

Colleen Pink Stripe

Energy Level: Mid-Moderate

Personality: Colleen Pink Stripe is the smallest of the litter, but her confidence is big! She's playful, yet her energy is more subdued due to her tiny size. She's a sweet and confident puppy, perfect for someone looking for a mild-mannered companion.

Health Notes:

- Colleen Pink has a hernia.
- Colleen Red Dot has a hernia.

All of the girls are fun, bouncy and interactive with small outliers. These are very sweet girls! They equally love play and interaction. All of these girls have mid/moderate energy. They are very similar to one another with just a few differences. They love bouncing around with a toy in their mouth. These puppies are just HAPPY. They will easily bring a smile to your face. All girls react appropriately to new sites and sounds and use their mouth appropriately.

Pink - she is content to play or grab a toy and go off on her own. She can be a little awkward with handling at first but she does settle in.

Red - is very sweet and mild! She is a loving puppy. She is the most interested in toys of the group. She will go off to find one and play with it for a good amount of time. Most independent as well.

White - BREEDERS PICK - she is a middle of the road puppy. She is interactive and loving. She is curious and playful. She is funny and will instigate play with her siblings.

Pink Dot - a very sweet girl. She lovesssss to give kisses! She is curious and loves to investigate her surroundings.

Red Dot - very playful and curious! She also is a big lover of toys! She is funny to watch play. She has a lot of bounce to her play that is just adorable.

White Dot - more reserved than all the girls. She is very slow to start. She likes to take in her surroundings. Once she is comfortable, she really comes to life. She is so bouncy as well and silly.

Pink Stripe - is confident and cute! She is the smallest girl. She is playful but everything is more mild with her due to her tiny size.

Health notes: pink has a hernia and red dot
