Finley Girls Litter Overview:

The Finley girls are a wonderful group of puppies, each with a balance of playfulness and calm. Their confidence and adaptability make them great companions, capable of adjusting to different environments. They enjoy both independent play and human interaction, showing a range of energy from mid-level to mid-moderate. All of them handle well and are not timid, making them ideal for most homes. No red flags were noted, and they should transition easily to their new homes.

Finley **Pink**

- **Energy Level:** Mid-level to Mid-moderate
- **Personality:** Pink is a happy, affectionate puppy who prefers staying close to people. She's mild in her interactions, avoiding rough puppy play, and enjoys being loved on. Pink is calm and gentle but can become a little more playful when the mood strikes. Her sweet nature makes her a great companion, though she may feel overwhelmed in a home with overly active pets. No red flags were noted.

Finley Red

- **Energy Level:** Moderate
- **Personality:** Red is a confident, bubbly puppy who loves toys and is content playing independently. Interactive toys are a favorite, keeping her entertained for long periods. She enjoys engaging with both people and her littermates and is very tolerant with handling. Red calms down nicely and is not fearful or timid, making her an excellent fit for most home environments. No red flags were noted.

Finley White

- **Energy Level:** Moderate
- **Personality:** White is a confident, playful puppy who gets easily excited. She loves toys, action, and instigating fun with her siblings. Not timid or fearful, White adjusts quickly to new situations and is comfortable with handling. She has a moderate play energy and calms down nicely when needed. White should transition well into most home environments. No red flags were noted.

Finley **Pink Dot**

- **Energy Level:** Mid-moderate
- **Personality:** Pink Dot is a confident puppy with a middle-of-the-road temperament. She can easily engage in exuberant play but is just as comfortable keeping things calm. Pink Dot is respectful in her interactions, enjoys handling and affection, and is a pleasure to be around. She calms down nicely and isn't too demanding of attention. No red flags were noted.

PINK - she's a happy puppy, but prefers to stay close to people. She's a little more mild in her interactions and doesn't prefer rough puppy play. She loves to be loved on and is good with handling. She has a mid-level energy that can be mid moderate when she's feeling extra playful but overall is gentle and calm. No red flags, but could get overwhelmed if there is an overly active pet in the house.

RED - confident from the start. Happy and bubbly. she really loves toys and was content to entertain herself and play independently for a little while.

She found that she loves interactive toys and it was a great source of entertainment for her. She loved to engage and play both independently and with people and litter mates.

She is very comfortable intolerant with handling. Calms nicely.

Not fearful or timid. Should do well in most home environments. Has moderate energy level. No red flags.

WHITE - confident and playful. Easily excited. She loves toys and action. She likes to instigate the fun. she is not fearful or timid, and will adjust quickly to new situations.

Comfortable intolerant with handling. Calms nicely. Has a moderate play energy no red flags should transition easily to most home environments.

PINK DOT - confident with more middle of the road temperament. She can hang with the exuberant play, but also is fine keeping it a little more calm. She is respectful with her interactions.

Nice puppy to be around. She's not too demanding of your attention, but enjoys handling and affection. She calms nicely. No red flags.

mid moderate energy level.
