### Harley Females Temperament Test Results

#### Pink Bow:

- **Play Style:** Very exuberant and independent in her play. She loves to stay busy and engage with her surroundings on her own terms, rather than seeking out interaction with people.
- **Personality:** She's confident, self-assured, and not overly needy. After adequate playtime, she settles down nicely and is loving and good with handling.
- **Needs:** Requires creative outlets for burning off energy and engaging her mind.
- **Red Flags:** None. Should do well in most home environments.
- **Health Notes:** Keep an eye on her underbite.
- **Energy Level:** Mid to Moderate

#### Red Bow:

- **Play Style:** Very social and people-oriented. She prefers to be close to people rather than engaging in independent play.
- **Personality:** Enjoys toys but loves attention even more. She's easily excited by new things but quickly adapts. Her playful puppy zoomies are adorably clumsy.
- **Handling:** Excellent with handling and very affectionate.
- **Red Flags:** None. A happy puppy overall.
- **Energy Level:** Mid to Moderate

#### White Bow:

- **Play Style:** Balanced between play and independence. She's curious and likes to investigate new sights and sounds if she's in the mood.
- **Personality:** Self-assured without demanding attention, though her adorable face makes her hard to resist. She's easygoing and well-balanced.
- **Training:** Good focus, which suggests she'll be easy to train.
- **Red Flags:** None.
- **Energy Level:** Mid Level
