Cleo Litter Overview:

The Cleo litter is a group of confident and engaging puppies, each with their own unique charm. They show excellent potential for training and have demonstrated good focus and adaptability. These puppies range from playful and energetic to mild and calm, making them suitable for a variety of home environments. With no red flags, they are all expected to transition easily into their new homes, and their positive temperaments make them a joy to be around.

Cleo Red

- **Energy Level:** Mid-moderate
- **Personality:** Red is a confident and self-assured puppy who loves to explore while still enjoying the company of people. She's playful, easily excited, and highly engaging with both humans and other puppies. Red is excellent with handling and has the focus and energy to be a great candidate for basic training. Her excitement for engagement and adaptability make her a well-rounded companion. No red flags were noted, and she should transition smoothly into her new home.

Cleo Blue

- **Energy Level:** Mid-moderate
- **Personality:** Blue is a confident and playful puppy, often entertaining with his clumsy, silly antics. He's happy to engage with both people and his littermates and is great with handling. Though a little mouthy in play with other puppies, he is gentle and appropriate with people. Blue doesn't demand constant attention and is content to entertain himself. With his good focus and motivation, he's an excellent candidate for training. No red flags were noted.

Cleo Green

- **Energy Level:** Mid-moderate
- **Personality:** Green is a social and confident puppy with a calm, mild-mannered approach to play. He enjoys the company of people but prefers a gentler playstyle, often avoiding overly rambunctious activity. Green is patient with handling and offers a nice balance of playfulness and calm energy, making him a great companion for a more relaxed home. No red flags were noted, and he should transition easily.
