[7 Week Litter Video](#)

Litter Overview:

The Susan litter is composed of sweet, confident, and playful puppies with slight variations in their personalities. Blue Dot and Orange stand out as the most confident with moderate energy levels, while Green and Pink have mid/moderate energy levels. Blue is the most laid-back of the group. All puppies exhibit great bite inhibition and use their mouths appropriately during play. This litter is fun-loving, highly engaging, and a joy to watch!

Health Notes:

None

Susan Orange

- Breeder's Pick ; Enrolled Into 16 Week Prep School

Orange is full of personality and loves to entertain! He's a larger pup for his size and thrives on human interaction. He will work to get your attention and can be slightly pushy, though it's easily redirected. His playful nature and sense of humor make him a fun, lovable puppy, perfect for an engaging household.

- **Energy Level:** Moderate
 - **Temperament Notes:** Playful, funny, and attention-seeking; easily redirected.
-

Susan Blue

Blue is the most laid-back of the group. Naturally sweet and gentle, he enjoys playing with toys and is confident in his surroundings. He is self-assured and happy to go off and play independently, making him the gentlest of the bunch. He's perfect for a home that values calmness and independence.

- **Energy Level:** Mid
 - **Temperament Notes:** Gentle, sweet, and confident; independent.
-

Susan Green

Green is a balanced, middle-of-the-road puppy. He's happy, content, and playful, with a love for exploring on his own. Green enjoys independent play and would be a great fit for someone looking for a less needy puppy. His personality makes him a solid and adaptable companion.

- **Energy Level:** Mid-moderate
 - **Temperament Notes:** Happy, content, and independent; well-balanced.
-

Susan Blue Dot

Blue Dot is a confident and playful puppy with a vibrant personality. He loves interacting with his littermates and enjoys engaging playtime. Blue Dot has a straighter coat and is a lively, fun companion for an active home. His outgoing nature makes him a standout in the group.

- **Energy Level:** Moderate
- **Temperament Notes:** Confident, fun-loving, and playful; vibrant personality.

Susan Pink

Pink is the most independent of the group, content to explore and play on her own. She's sweet and loving, but also enjoys finding toys and entertaining herself. Her balance of independence and affection makes her a great fit for a variety of home environments.

- **Energy Level:** Mid-moderate
 - **Temperament Notes:** Independent, sweet, and playful; loves toys.
-

Every puppy is very sweet and confident. There are small differences between each of these puppies. Blue Dot and Orange are the most confident of the group having moderate energy levels. Green and pink are mid/moderate. Blue is mid. They will use their mouth to initiate play but have great bite inhibition & All puppies use their mouth appropriately. This litter is fun and playful and extremely entertaining to watch.

Blue - most laid-back. naturally sweet and gentle. Loves toys and is confident and self assured. Happy to go off and play. Most gentle of the group.

Green - is a very middle of the road puppy. He doesn't have many outliers. He's happy and content and playful. He loves to go off and explore on his own. He enjoys independent play. Would be great for someone who doesn't need a super needy pup.

Orange - (BP) very funny! Lots of personality. He's also quite big for a medium sized pup. Loves human interaction. He will work to get your attention. Can he slightly pushy but nothing that can't be redirected.

Blue dot - confident and fun puppy. He loves to play and interact with his littermates. Hes got a vibrant personality. Potentially will have a straighter coat.

Pink - content to explore and play on her own. Probably the most independent of the group. Although, She is very sweet and loving. She loves toys and will seek to find them to play with.
