Janelle Boys Litter Overview:

The Janelle boys are confident, playful, and self-assured. Most of them needed very little time to adjust to new surroundings, diving right into play and exploration with great confidence. Blue and Blue Dot took a bit more time, but each puppy has a wonderful, engaging personality, making them adaptable to a range of home environments.

Janelle **Green Dot**

Breeder's Pick ; Enrolled into 8 weeks

- **Energy Level:** Mid to Moderate
- **Personality:** Green Dot is a happy-go-lucky puppy, confident and self-assured. Very similar to his brother Green, he's a balanced, middle-of-the-road pup who blends independence with a love for interaction. His cheerful and easygoing nature makes him adaptable to nearly any home environment. Green Dot's friendly, confident demeanor ensures he will transition smoothly into his new home. No red flags were noted.

Janelle **Blue**

- **Energy Level:** Mid to Moderate
- **Personality:** Blue is an expressive and chatty puppy who loves to use his voice! He can occasionally whine when unsure and sometimes prefers to observe before jumping in. A bit of confidence-building training would help him thrive, allowing him to embrace his natural curiosity fully. Blue's vocal and playful personality adds a fun dynamic, and he would be well-suited for a home that appreciates his charm and expressiveness. No red flags were noted.

Janelle **Green**

Breeder's Pick ; Enrolled into 8 weeks

- **Energy Level:** Mid to Moderate
- **Personality:** Green is a confident, middle-of-the-road puppy with a sweet and playful disposition. His balanced nature makes him easy to be around, and he would fit seamlessly into just about any home. Green's gentle, adaptable personality ensures he will transition smoothly and bond well with his family. No red flags were noted.

Janelle **Orange**

- **POTENTIAL THERAPY / EMOTIONAL SUPPORT CANDIDATE**
- **Energy Level:** Moderate
- **Personality:** Orange is a slightly reserved yet people-oriented puppy. He starts off a bit shy but quickly warms up, showing a deep affection for staying close to his person. Orange doesn't seek attention

actively but rather enjoys quietly being by your side, making him a perfect fit for a companion or therapy role. His calm and naturally respectful nature adds to his charm, making him an ideal choice for a home that values connection and gentle companionship. No red flags were noted.

Janelle **Blue Dot**

- **Energy Level:** Mid to Moderate
- **Personality:** Blue Dot is the most independent of the group. He started off slightly shy but soon showed a strong curiosity and a love for independent play. Blue Dot is naturally respectful and enjoys exploring on his own terms, making him a wonderful match for a family that appreciates a blend of independence and affection. No red flags were noted.
