Kady Girls Litter Overview:

The Kady girls are incredibly sweet puppies who show confidence and playfulness once they've had time to adjust to new surroundings. They are independent and prefer toys and playtime over constant attention, making them adaptable to a variety of homes. These girls are gentle and easygoing, and while one is quicker to adjust than the other, both will transition smoothly with the right environment and support.

Kady **Pink**

- **Energy Level:** Mid to Moderate
 - **Personality:** Pink is the most confident of the group, warming up quickly to new sights and sounds. She's gentle, sweet, and playful, making her a well-rounded companion. Pink's confidence ensures that she will transition easily into most home environments, whether active or more laid back. Her joyful nature will bring happiness to any family.

Kady **Red**

- **Energy Level:** Mid
 - **Personality:** Red is a bit more reserved when entering new spaces, taking her time to adjust. She's shy at first and prefers to observe her surroundings with care, sometimes becoming vocal when she feels unsure. However, once she's comfortable, Red's bubbly and playful side comes out, showing her sweet and engaging nature. With a little patience and support, she will adapt beautifully to her new home.
