Kate Boys Litter Overview:

The Kate litter is a thoughtful and naturally respectful group with a quiet confidence. They initially observed their new surroundings before eagerly exploring and engaging. These puppies are self-assured, mild in their interactions, and show a strong drive for human connection. Their sweet, happy dispositions make them incredibly easy to be around. While they exhibit playful puppy behaviors, their calm and fun energy strikes a wonderful balance. Each puppy is adaptable and well-suited for a variety of home types.

Health Notes:

- None
-

Kate Blue

- **POTENTIAL SERVICE CANDIDATE**

- **Energy Level:** Moderate
- **Personality:** Blue is the most confident of the litter, coming in ready to engage and ask for attention. His endearing personality shines through as he eagerly works for affection, often climbing into your lap for snuggles. Blue's confidence and strong connection to people make him an excellent service candidate. His playful yet respectful demeanor ensures he will be a loving and interactive companion. No red flags were noted.

Kate Green

- **Energy Level:** Mid to moderate
- **Personality:** Green is an adventurous puppy who loves to explore and investigate his surroundings. He's independent in his play and enjoys toys, often wandering the room to discover new things. Green's curious and confident nature makes him adaptable to just about any home environment, especially one that values his playful, explorative spirit. No red flags were noted.
