### Maeve Boys Litter Overview:

The Maeve boys are a confident, happy, and bubbly group of puppies with a mid-level energy. They're explorative, eager to interact, and full of silly charm, making them a joy to be around. Each puppy is gentle with handling and has a sweet disposition that ensures they'll adapt well to various home environments.

---

### Maeve **Blue**

- **Energy Level:** Mid-level
- **Personality:** Blue is a confident and self-assured puppy who loves to initiate play with his siblings. He's unbothered by loud noises or new sights, showcasing his adventurous and fearless nature. Blue's happy and engaging personality makes him a great match for any home that enjoys a playful, outgoing companion. No red flags were noted.

---

### Maeve **Green**

- **Energy Level:** Mid-level
- **Personality:** Green is a balanced, middle-of-the-road puppy who enjoys exploring on his own but also appreciates human interaction. He has a strong interest in toys and independent play, making him the most self-sufficient of the group. Green's independent nature and playful spirit make him a wonderful fit for a home that values both companionship and a puppy who can entertain himself. No red flags were noted.

---

### **Maeve** Orange

- **Energy Level:** Mid-level
- **Personality:** Orange is a cuddly, people-oriented puppy who loves climbing into laps for snuggles. He's gentle, affectionate, and would thrive in a slower-paced household looking for a companion who enjoys close interaction and affection. Orange's easygoing and loving demeanor make him an ideal match for a family that values connection and gentle play. No red flags were noted.
