Marina Girls Litter Overview:

The Marina girls are playful, confident, and full of charm. They have sweet temperaments and love engaging with both their siblings and people. These girls enjoy running around with toys and chasing one another, making for an adorable sight! They are self-assured and don't require much time to warm up to new environments, making them adaptable to just about any home. *Both girls are exceptionally people-oriented and very intuitive, making them excellent Therapy / Emotional Support Candidates!* Their playful and affectionate nature will make them wonderful companions.

Marina Red

- **POTENTIAL THERAPY / EMOTIONAL SUPPORT CANDIDATE**
- **Energy Level:** Mid to Moderate
- **Personality:** Red is the leader of the girls, showing great confidence and often initiating play. She's slightly more independent than her sister and prefers playful interactions over snuggles. Red's lively and self-assured personality makes her a perfect match for a home that enjoys active play and engagement. She will thrive in an environment that allows her to be both playful and independent. No red flags were noted.

Marina Red Dot

- **POTENTIAL THERAPY / EMOTIONAL SUPPORT CANDIDATE**
- **Energy Level:** Mid to Moderate
- **Personality:** Red Dot is slightly more mild-tempered than her sister but still exudes confidence. She is affectionate and loving, always working for your attention but doing so in a respectful way. Red Dot enjoys snuggles and is very people-oriented, making her a wonderful fit for a family that values both

playtime and affection. Her balanced nature ensures she will adapt well to most home environments. No red flags were noted.

Marina White Dot

- **POTENTIAL THERAPY / EMOTIONAL SUPPORT CANDIDATE**
- **Energy Level:** Mid
- **Personality:** White Dot is a very sweet puppy who takes a little time to adjust in new settings. She initially comes in unsure, but with gentle snuggles, she warms up and happily explores her surroundings. White Dot prefers to stay close to her person, enjoying cuddles and calm companionship. Her mild, affectionate nature makes her a wonderful fit for a quieter home where she can feel secure and loved. No red flags were noted.

Marina **Pink Dot**

- **Energy Level:** Moderate
- **Personality:** Pink Dot is a bubbly, confident puppy who loves to play and isn't shy about initiating interaction. She can be chatty when starting play and is naturally self-assured. Pink Dot's fun-loving, engaging nature makes her a delightful companion for an active home that enjoys her spunky personality. No red flags were noted.
