### Julie Boys Overview:

The Julie boys are confident, self-assured, and full of energy. They are happy, fun-loving puppies with silly personalities that make them incredibly entertaining to watch. Curious and engaging, they adapt easily to new sights and sounds without hesitation. Each boy has a playful spirit and brings unique qualities to the litter. These puppies have mid to moderate to moderate energy levels and would thrive in homes that encourage play and interaction.

### Health Notes:

- None
- 

### Julie **Blue** (*Breeder's Pick*)

- **Prep School Dates:** 01.2.25 - 4.24.25 (16WK)
- **Energy Level:** Mid to moderate
- **Personality:** Blue is naturally sweet, respectful, and slightly more mild-mannered than his siblings while still maintaining excellent confidence and playful energy. He enjoys interaction but balances it with calmness, making him an easy and adaptable puppy for most home types. Blue's gentle and even temperament makes him an excellent choice for families or individuals seeking a well-rounded companion. No red flags were noted.

### Julie **Green**

- **Energy Level:** Moderate
- **Personality:** Green is a confident and lively puppy with a playful and fun-loving demeanor. He can be a little pushy and occasionally mouthy during play, which is typical puppy behavior and easily redirected. While he doesn't enjoy handling as much and prefers to be on the ground playing, his vibrant personality shines in active, engaging environments. Green's energy and drive for interaction make him a fantastic choice for an experienced owner or a home that values an active puppy. No red flags were noted.

### Julie Orange

- **Energy Level:** Mid to moderate
- **Personality:** Orange is a natural leader, often taking charge alongside Green. He is highly interested in toys and enjoys playing with his littermates. While he tends to tire out first, he takes short rests before rejoining the fun with renewed enthusiasm. His playful energy and adaptability make him a great match for a home that enjoys engaging play and interaction. No red flags were noted.

---

### Julie Blue Dot

- **Energy Level:** Moderate
- **Personality:** Blue Dot is an independent and toy-motivated puppy. He often entertains himself with toys and enjoys running laps around the room in his own little “race.” His playful and humorous antics make him a joy to watch. Blue Dot thrives in homes that provide plenty of interactive play and mental stimulation. His natural curiosity and energy ensure he will bring endless smiles to his new family. No red flags were noted.

## Julie Green Dot

- **Energy Level:** Moderate
- **Personality:** Green Dot is a playful and energetic puppy who enjoys chasing and initiating play with his siblings. Occasionally vocal during play initiation, he is a confident and engaging pup. His fun and interactive nature makes him a great fit for homes that encourage active engagement and provide plenty of outlets for his energy. No red flags were noted.
