### Naomi Boys Litter Overview:

The Naomi boys are a delightful group of happy, playful, and interactive puppies. While the litter as a whole took a moment to adjust to the new environment, Orange and Green Dot were quick to start exploring, while Blue, Green, and Blue Dot took time to observe their surroundings before joining in. These puppies are naturally curious, interested in human interaction, and eager to connect. They have a balanced, middle-of-the-road temperament and display typical puppy mouthiness, which can be redirected easily. They are fun-loving, happy-go-lucky, and adaptable, making them suitable for most home types.
