Ripley Boys Overview:

The Ripley boys are confident, self-assured, and naturally curious puppies. They eagerly explore their surroundings and are engaging with new environments. Most of the boys use their mouths to investigate and assess their surroundings, which is typical puppy behavior that will improve with maturity and training. Blue, Green, and Blue Dot enjoy human interaction and frequently check back in, while Orange is more independent and observant. These boys are naturally gentle with handling and will make wonderful companions in a variety of home types.

Health Notes:

- Blue Dot: Has an underbite, a very small, almost undetectable hernia, and does not yet have all of his teeth. He is healthy, happy, and ready to thrive in his forever home!

Ripley Blue

- **Energy Level:** Mid to Moderate
- **Personality:** Blue is an outgoing and engaging puppy with a natural curiosity for his environment. He eagerly interacts with people and explores confidently. While he can be a bit mouthy at times, this behavior is typical for his age and can be redirected with training. His fun-loving and interactive nature makes him a great choice for an active family ready to engage and play. Blue's bright and confident personality ensures he will bring plenty of joy to his future home. No red flags were noted.

Ripley Green

- **Energy Level:** Mid to Moderate
- **Personality:** Green is a confident and investigative puppy with a natural drive to explore his surroundings. While he was initially a little apprehensive of loud noises, he quickly adjusted and remained self-assured. Green's curious nature and balanced personality make him a great choice for a family looking for a fun and adventurous companion. He enjoys play and human interaction, offering a nice balance of independence and connection. No red flags were noted.

Ripley Orange

- **Energy Level:** Mid to Moderate
- **Personality:** Orange is an observant and slightly reserved puppy who prefers to sit back and watch before engaging. He is more independent than his siblings and is highly motivated by toys and independent play. While he doesn't seek out constant human interaction, he is still very gentle and easy with handling. Orange would do well in a home that appreciates his quiet confidence and allows him to engage at his own pace. His independent nature makes him a low-maintenance yet entertaining companion. No red flags were noted.

Ripley Blue Dot

- **Energy Level:** Mid to Moderate
- **Personality:** Blue Dot is a confident, self-assured, and very sweet puppy. He eagerly engages with people and play, demonstrating a naturally gentle and affectionate temperament. He is fun, interactive, and consistently checks in for human connection. His balance of playfulness and sweetness makes him a joy to be around. With his gentle disposition, Blue Dot would be a wonderful companion for a loving family. No red flags were noted.
