### Sicily Litter Overview:

The Sicily litter is a lively and social group of puppies with wonderful confidence and engaging personalities. They entered the room eagerly, showing no shyness or fear of new sights or sounds. These puppies are happy, bubbly, and love human interaction, toys, and playing with each other. They thrive on staying close to people and are naturally respectful in their interactions. With mid to moderate energy levels, these puppies are adaptable and would do well in a variety of home types.

### Health Notes:

- Blue, Pink, and White have underbites. These are mild, will not cause discomfort or affect daily life, and may improve as they grow. Even if they remain, the underbites will be very mild and unnoticeable.
- 

### Sicily Blue

- **Energy Level:** Mid to moderate
- **Personality:** Blue has shown the greatest interest in human interaction, eagerly seeking attention and affection. He is confident, self-assured, and naturally respectful, making him a delight to be around. Blue's sweet and affectionate nature ensures he will bond easily and thrive in a loving home. His eagerness to engage makes him a wonderful companion for families looking for a puppy that loves to be part of the action. No red flags were noted.

### Sicily Pink

- **POTENTIAL THERAPY CANDIDATE**
- **Energy Level:** Mid to moderate
- **Personality:** Pink is the most independent of the litter, often observing her surroundings and entertaining herself with a toy. While she enjoys solo play, she also seeks attention at times, showing her balance between independence and affection. Pink is incredibly gentle and naturally respectful,

making her a strong potential therapy candidate. Her calm, adaptable nature and engaging personality make her a great fit for a variety of home types. No red flags were noted.

---

### Sicily Red

- **Energy Level:** Mid to moderate
- **Personality:** Red is playful, fun, and full of energy, with an adorable silly spin she does during playtime that will bring a smile to anyone's face. She is joyful and engaging, making her a wonderful companion for a home that values her bubbly and entertaining personality. Red's confidence and love for play ensure she will adapt easily to her new environment. No red flags were noted.

---

### Sicily White

- **Energy Level:** Mid to moderate
- **Personality:** White is a sweet and gentle puppy with great confidence. She enjoys playtime and human interaction equally, making her a balanced and middle-of-the-road puppy. White's calm and adaptable demeanor ensures she will transition seamlessly into her new home. Her naturally gentle personality makes her a wonderful companion for families looking for a well-rounded, affectionate puppy. No red flags were noted.
