Valentine Boys Overview:

The Valentine boys are naturally sweet, respectful, and gentle puppies. While they were slightly unsure at first, they warmed up quickly and showed their affectionate and playful sides. Blue is more focused on human interaction, while Green and Orange are more independent and playful, often seen sticking together like a pair. Blue has a mid energy level, while Green and Orange lean towards mid to moderate. These boys will adapt well to various home types, with each offering unique qualities to suit different families.

Health Notes:

- None

Valentine **Orange** (*Breeder's Pick*)

- **Prep School Dates:** 01.9.25 - 5.1.25 (16WK)
- **Energy Level:** Mid to moderate
- **Personality:** Orange is a playful and well-balanced puppy who thrives equally on human interaction and independent play. He is affectionate and will work for your attention, but he is also content to explore and entertain himself with toys. His playful personality includes occasional mouthiness, but he redirects easily. With his unique look and even temperament, Orange would make an incredible breeder's pick or a fantastic addition to a home seeking a well-rounded and confident puppy. No red flags were noted.

Valentine **Blue**

- **POTENTIAL THERAPY CANDIDATE**
- **Energy Level:** Mid
- **Personality:** Blue is a gentle, affectionate puppy who loves human interaction. He often stayed close to the tester, sitting patiently for attention and offering sweet kisses. His calm demeanor and focus on people make him an excellent therapy candidate. Blue's natural sweetness and gentle nature ensure he will bond quickly and adapt seamlessly to a loving home. No red flags were noted.

Valentine **Green**

- **Energy Level:** Mid to moderate
- **Personality:** Green is slightly more independent and enjoys exploring and playing on his own. While he was initially unsure and whined at times, his confidence grew as he adjusted to the space, and his whining diminished. Green was less interested in direct interaction with people, preferring to engage with his environment and play with his brother. His balance of independence and playfulness makes him a great match for a home that values his inquisitive nature. No red flags were noted.
