### Annie Oakley Boys Overview:

The Annie Oakley boys are a confident, vibrant, and engaging group of puppies. They all came in ready to play and explore, showcasing bright, silly personalities that are easy to love. These puppies are unbothered by new sights or sounds and demonstrate naturally balanced temperaments that are both fun and easygoing. They should transition well into almost any home type. All of the boys have mid to moderate energy levels, with Green being slightly more on the mid side.
