### Esmeralda Boys Litter Overview:

The Esmeralda boys are confident, self-assured, and naturally engaging puppies. They adapt quickly to new spaces and immediately feel at ease, displaying happy, playful, and vibrant personalities. While they can occasionally play a little rough with one another, they are easily redirected and respond well to guidance. All of the boys have mid-to-moderate energy levels, making them versatile companions for a variety of home types.

---

### Esmeralda **Blue Dot** (*Breeder's Pick*) S.U.P.E.R Puppy Program (16 Weeks)

- **Prep School Dates:** 1.30.25 - 5.22.25
- **Energy Level:** Mid-to-moderate
- **Personality:** Blue Dot is confident, self-assured, and strikes a perfect balance between engaging with people and enjoying time on his own. He is respectful, socially appropriate, and very easy to handle. His naturally calm and balanced demeanor makes him a standout in the group.

---

### Esmeralda **Blue**

- **Energy Level:** Mid-to-moderate
- **Personality:** Blue is confident and self-assured, happy to explore and play independently. He loves toys and enjoys playing with his littermates but quickly tires out and prefers to rest on his own. He is naturally respectful and socially appropriate, making him a great fit for any home type.

---

### Esmeralda **Green**

- **Energy Level:** Mid-to-moderate
- **Personality:** Green is confident, self-assured, and very playful. He is highly motivated by toys and will eagerly seek them out. He enjoys human interaction and can be quite affectionate, often trying to prolong your attention. While he can be mouthy at times, he is easily redirected, showcasing his sweet and interactive nature.

---

### Esmeralda **Orange**

- **Energy Level:** Mid-to-moderate
- **Personality:** Orange is confident, self-assured, and engaging, very sweet but can occasionally be a little pushy in his interactions. He uses his mouth to seek attention, which would benefit from four

weeks of school to focus on manners and positive reinforcement. He is playful and engaging but tires out quickly, retreating to rest on his own.

**Recommendation:** Orange is encouraged to attend four weeks of Prep School for additional manners training.

---

### Esmeralda **Green Dot**

- **Energy Level:** Mid-to-moderate
- **Personality:** Green Dot is confident and self-assured, content to explore and play independently. He can be a little rough with his littermates, but this is easily redirected. He is curious and investigative, often using his mouth to explore his surroundings, but this behavior is normal and manageable.

---

**Health Notes:**

- There are no health concerns within this litter.
