### Genevieve Boys Overview:

The Genevieve boys are confident, self-assured, and full of happy, bubbly energy! They are playful, engaging, and lots of fun to be around. Each of them enjoys interacting with their littermates and people, and they bring a vibrant and silly energy to any space. These boys are well-suited for a variety of home types and will transition smoothly with their outgoing and confident personalities. Blue and Green have moderate energy levels, while Orange and Blue Dot have mid-to-moderate energy levels.

---

### Genevieve **Blue**

- **Energy Level:** Moderate
- **Personality:** Blue is very confident, self-assured, and highly engaging. He enjoys playful interactions with his littermates and has a silly, fun-loving personality. His vibrant energy makes him a joy to be around, and his eagerness to play ensures he will be an entertaining and affectionate companion.

---

### Genevieve **Green**

- **Energy Level:** Moderate
- **Personality:** Green is engaging and people-oriented. He is naturally sweet, affectionate, and loves interacting with his littermates. At times, he may be slightly vocal when initiating play, but this only adds to his playful and engaging personality. Green's loving and fun demeanor makes him a wonderful addition to any home.

---

### Genevieve **Orange**

- **Energy Level:** Mid-to-moderate
- **Personality:** Orange is confident, self-assured, and enjoys his independence. He loves toys and will happily spend time entertaining himself with them. While he may be more observant and enjoy time on his own, he still appreciates human interaction and is naturally respectful. His balance of independence and engagement makes him adaptable and easygoing.

## Genevieve **Blue Dot**

- **Energy Level:** Mid-to-moderate
- **Personality:** Blue Dot is very engaging and people-oriented. He loves interaction and will work for it without being pushy. He is naturally sweet, respectful, and playful, making him a great choice for a home that values a friendly and affectionate companion. He is very people-oriented & intuitive.
