Hollie Boys Litter Overview:

The Hollie boys are confident, bubbly, and self-assured. They are playful, fun, and eager to interact with their surroundings. All of the boys have a strong interest in toys and are content to explore and play independently while still enjoying human interaction. These well-rounded puppies are independent, adaptable, and should transition easily into most home types. These boys are a great choice for families or potential therapy work.

Hollie **Blue** ; Breeder's Pick - Enrolled in 16 Weeks Prep School

POTENTIAL THERAPY CANDIDATE

- **Prep School Dates:** 2.13.25 - 6.5.25
- **Energy Level:** Mid to Moderate
- **Personality:** Blue is confident, self-assured, and full of playful energy. His bouncy and fun play style makes him a joy to watch. While he can be curious with his mouth and slightly rough during play, he is easily redirected. Blue's cheerful and engaging demeanor, combined with his intuitive and people-oriented nature, makes him an excellent choice for training, therapy, and companionship.

Hollie **Green**

POTENTIAL THERAPY CANDIDATE

- **Energy Level:** Mid to Moderate
- **Personality:** Green is confident, self-assured, and content to explore and play independently. He occasionally checks in for affection, showing his sweet and fun-loving nature. Green is a well-rounded puppy who balances independence and connection beautifully. His people-oriented and intuitive

temperament makes him a potential therapy candidate, and he has a balanced, middle-of-the-road demeanor.

Hollie **Orange**

POTENTIAL THERAPY CANDIDATE

- **Energy Level:** Mid to Moderate
- **Personality:** Orange is highly motivated by toys and can often be found happily chewing on one. He is a middle-of-the-road puppy with a sweet and easygoing temperament, making him a fantastic companion for any family. His engaging personality and strong connection with people make him a great choice for families or potential therapy work.

Hollie Blue Dot

POTENTIAL THERAPY CANDIDATE

- **Energy Level:** Mid to Moderate
- **Personality:** Blue Dot is confident, self-assured, and eager to explore. He is a touch more mild and naturally respectful, offering a gentle and loving presence. While he may not command attention in a big group, his playful and sweet nature shines in one-on-one interactions. His people-oriented and intuitive temperament makes him a potential therapy candidate, and he has a balanced, middle-of-the-road demeanor.
