### Presleigh Girls Overview:

The Presleigh girls are confident, self-assured, and full of personality. They are playful, eager to interact, and highly motivated by toys. Their silly and bouncy play makes them a joy to watch and be around. They are socially appropriate and adaptable, showing potential to transition well into most home types.

### Presleigh **Pink**

- **Energy Level:** Mid to Moderate
- **Personality:** Pink started slightly unsure but warmed up quickly, revealing her confident and self-assured nature. She is highly interested in toys and enjoys playing with her littermates. She is content to explore and play independently and can occasionally be curious with her mouth, but this is easily redirected.

---

### Presleigh **Red**

- **Energy Level:** Mid to Moderate
- **Personality:** Red is confident, self-assured, and content to explore and play on her own. She has a slightly milder temperament compared to her sisters but still exhibits playful and engaging behavior. Her gentle and independent nature makes her a well-balanced companion.

---

### Presleigh White

- **Energy Level:** Moderate
- **Personality:** White is confident, self-assured, and full of spunk. She has a feisty, funny side that shines during her highly motivated toy play. While she prefers playtime over being held and can occasionally be awkward with handling, she is very playful and engaging. White could benefit from four weeks of Doodle Prep School to reinforce positive behaviors and redirect her occasional curiosity with her mouth.
