Violet Litter Overview:

The Violet litter is a delightful group of socially appropriate and engaging puppies. They adjust quickly to new environments and are happy, bouncy, and playful. All of the puppies have a mid to moderate energy level and show a keen interest in toys and interactive play. Their natural gentleness and ease make them enjoyable to be around and fun to watch. These puppies interact well with one another and should transition seamlessly into a variety of home types.

Violet **Pink**

Breeder's Pick ; Enrolled into 16 Week Prep School

- **Prep School Dates:** 1.30.25 - 5.22.25
- **Energy Level:** Mid to Moderate
- **Personality:** Pink is confident, self-assured, and balanced. She is content to explore and play independently but also enjoys interacting with people. Naturally respectful and gentle, she has a super playful and bouncy nature that is a joy to watch. She is very people oriented and intuitive! Pink's temperament makes her a standout puppy who would thrive in most home environments.

Violet **Red**

- **Energy Level:** Mid to Moderate
- **Personality:** Red is confident, self-assured, and highly motivated by human interaction. She eagerly engages and works to keep your attention. She is very people oriented and intuitive! Occasionally, she can be a bit mouthy, but this is rooted in her curiosity and eagerness to interact. With gentle redirection, this behavior fades quickly. Red's playful and engaging nature makes her a wonderful companion for a loving family.

Violet **Blue**

POTENTIAL THERAPY CANDIDATE

- **Energy Level:** Mid Level
- **Personality:** Blue is a confident and self-assured puppy with a calm and loving demeanor. He is curious and investigative, eager to explore and play on his own. Blue is naturally respectful and gentle with handling, often sitting politely to wait for affection. He is very people oriented and intuitive! His sweet and thoughtful nature makes him an ideal candidate for therapy or emotional support work.

Health Notes:

No health concerns were noted within this litter.
