Blair Boys Temperament Overview

The Blair boys are confident, self-assured, and eager to engage. They transition well into new spaces without hesitation or fear. They are naturally playful, bouncy, and full of personality. These puppies are socially appropriate, rarely vocal, and very interactive. They are highly intelligent and naturally curious. All of the boys have a **moderate** energy level, except Green, who has a **mid to moderate** energy level.

Blair Blue

- **Energy Level:** Moderate
- **Personality:** Blue has a nice blend of independence and playfulness. While he enjoys playing with his littermates, he is highly motivated by toys and can often be found off to the side happily entertaining himself. He has great confidence and a happy, easygoing demeanor.

Blair Green

- **Energy Level:** Mid to Moderate
- **Personality:** Green is naturally curious and investigative. He enjoys playing with his siblings and engaging with toys but also spends time scanning the room and taking in his surroundings. He is fairly independent and will often go off on his own to play. However, when you get on the ground and engage with him, he will eagerly work for your attention.

Blair Orange

- **Energy Level:** Moderate
- **Personality:** Orange is confident, self-assured, and highly interactive. He has a fun, playful temperament and enjoys initiating play with his littermates, often getting them all riled up. He is naturally respectful in his interactions and would do wonderfully in a home with another pet to enjoy playtime with. He is engaging, social, and very fun to watch.

Blair Blue Dot

- **Energy Level:** Moderate
- **Personality:** Blue Dot is the most interested in human interaction and will actively work to gain your attention. Despite his eagerness to engage, he remains naturally respectful and gentle in his interactions. His playful and affectionate nature makes him a very fun and lovable puppy.

Blair **Green Dot**

- **Energy Level:** Moderate
- **Personality:** Green Dot is super fun and playful with a naturally bouncy energy. He has a strong love for toys and enjoys interactive play. At times, he can be a little feisty in play, but he is never disrespectful—just full of enthusiasm.
