### Chelsea Girls Temperament Overview:

The Chelsea litter overall is very confident and self-assured unless otherwise noted. These puppies show little to no stress in new situations, around new people, or in circumstances typically considered stressful. Overall these puppies are curious and investigative with new sights and sounds including those that should be considered startling. These puppies have good memory, focus, and problem-solving abilities average to their age and stage of development. They also have outstanding motivation for interaction and good motivation for food and toys. These puppies are socially appropriate in their interactions with one another, with cats, and with other dogs. They are also socially appropriate in their interactions with people, they rarely use their mouth to initiate or engage in play and have excellent bite inhibition if they do. They are rarely vocal. These puppies have no red flags and show no possessiveness.

### Chelsea Pink

- **Energy Level:** Mid
- **Personality:** Pink's a little timid to start, but does adjust on her own. She likes to be held and will whine to get your attention and to encourage you to hold her. She will do best in a home that will allow her to adjust to new things without being overwhelmed. As her confidence comes up, self-sufficiency should come up as well.
- **Weight:** 5.64lbs
- **Health Notes:** NA
