Rosemary Litter Temperament Overview:

Rosemary Red is confident and self-assured. She shows no stress around new people, in new environments, or in circumstances that are typically considered stressful. She is curious and investigative with new sights and sounds, including those that should be considered startling. Overall, this puppy has good memory focus and problem-solving abilities, average to her age and stage of development. She has excellent motivation for interaction and good motivation for food and toys. This puppy is socially appropriate in her interactions with other puppies, cats, and adult dogs. She is also socially appropriate in her interactions with people. She rarely uses her mouth and has excellent bite inhibition. She is also rarely vocal. She has no red flags and shows no possessiveness. She is very comfortable and tolerant of handling and restraint. She actively seeks out this type of interaction.

Rosemary Red - "Breeder's Pick" ; Enrolled into S.U.P.E.R. Puppy Program
