Alissa Boys Temperament Overview:

The Alissa boys are confident, sweet, and naturally respectful puppies. They show appropriate responses to new sights and sounds, with good problem-solving skills and natural curiosity. They are socially appropriate with both people and other animals and tolerate handling well. Most have mid-level energy, with one boy starting a bit slower due to lower confidence. These boys have great potential for therapy or service work and will transition well into many home types.

Alissa Green

POTENTIAL THERAPY CANDIDATE

Breeder's Pick ; Enrolled into S.T.A.R Program

- **Prep School Dates:** 4.24.25 - 6.19.25 (8WK)
- **Energy Level:** Mid
- **Personality:** Green was slightly timid to start but adjusted quickly and confidently on his own. He is gentle and respectful with handling. Well-balanced and a great fit for a calm home environment. Therapy candidate.
- **Weight:** 5.93lbs
- **Health Notes:** NA

Alissa Blue

POTENTIAL SERVICE & THERAPY CANDIDATE

- **Energy Level:** Mid
- **Personality:** Blue is very sweet, affectionate, and engaging. He seeks out human interaction and shows strong service/therapy potential. He would thrive in a home that is interactive and engaging.
- **Weight:** 6.96lbs
- **Health Notes:** NA

Alissa Orange

POTENTIAL THERAPY CANDIDATE

- **Energy Level:** Mid to Low (likely to increase as confidence grows)
- **Personality:** Orange was the most timid and took the longest to adjust. He needs a patient home that allows him to grow into his confidence at his own pace. Not fearful, just needs gentleness.
- **Weight:** 6.21lbs
- **Health Notes:** NA
