### Colleen Girls Temperament Overview:

The Colleen litter overall is confident and self-assured, although a couple of puppies need a little time to adjust into new situations. These puppies overall show little to no stress and new situations, around new people, or in circumstances typically considered stressful. These puppies are curious and investigative with new sights and sounds.

Overall these puppies have no red flags and show no possessiveness. They are all comfortable and tolerant of handling and restraint. They are rarely vocal. These puppies are socially appropriate in their interactions with one another, with cats, and with other dogs. They are also socially appropriate and their interactions with people.
