### Molly Pink Temperament Overview:

Molly Pinklis confident, self-assured, and gentle. Like her brothers, she adjusts quickly to new environments and remains calm in situations typically considered stressful. She demonstrates average motivation for toys and food, and has good memory, focus, and problem-solving abilities for her age. She is socially appropriate with people, dogs, and other animals, and is comfortable with handling and restraint. She rarely vocalizes and uses her mouth appropriately with excellent bite inhibition. She is sweet, interactive, and very balanced in temperament.

---

### Molly **Pink**

- **Energy Level:** Mid to Moderate
- **Personality:** Pink is social, sweet, eager, and engaging. She enjoys human interaction, yet is also content to play and explore independently. Her balanced temperament and joyful nature make her an excellent companion for a wide range of homes.
- **Weight:** 2.90lbs

**Health Note:** Pink has an umbilical hernia. This is a minor, common condition that is easily correctable and does not affect her current health or comfort.
